

NATIONAL PARK LAND

LAND for a national park adjoining Wyoming's Jackson Hole National Monument was given to the Interior Department last month by John D. Rockefeller, jr. The 33,562 acres, valued at about \$2,000,000, are teeming with natural wild life and harbor a large elk herd.

Mount Michaud, Teewinat, the Grand Teton and Mount Owen.

Three Tetons and Mount St. John, with Snake River in the foreground.

Teewinat, Mount Owen and Glacier Canyon reflected in Jenny Lake.
